

Chatt Hills Barn Quilt Trail Status Report – June 2023

QUILT TRAIL UPDATE

Barn Quilts Completed

Since the May 2023 report, two new barn quilts have been added to the barn quilt trail, bringing the total number of barn quilts to 48.

BROKEN HORN FARM

Mike & Carla Harris selected a brightly-colored horse pattern for their barn quilt called “Horse of Many Colors.” Since they didn’t have an accessory structure visible from the road, they commissioned the barn quilt to be installed on their fence.

The barn quilt measures 39x39 inches and was painted by Laurie Searle and installed by Sam Smith at 12928 Hutcheson Ferry Rd. on June 25, 2023.

DAVENPORT FARM

Rick & Jan Davenport selected a custom barn quilt designed by Laurie Searle featuring a duck called, “Still Daffy.”

The barn quilt measures 6x6 feet and was painted by Laurie and installed by Sam Smith at 8120 Jones Ferry Rd. on June 12.

A recent storm took down a very large tree on their property. The good news is Rick & Jan were not hurt, there is minimal damage to their home, and their barn quilt was not damaged.
