

Chatt Hills Barn Quilt Trail Status Report – October, 2021

QUILT TRAIL UPDATE

Barn Quilts Completed

Since the September 2021 report, two new barn quilts have been added to the barn quilt trail, bringing the total number of barn quilts to 29; and one more has been added to the side trail bringing its total to 2.

Butterfly barn quilt was requested by Sara Hill at 7990 Campbellton Redwine Rd. Since her barns cannot be seen from the road, she requested a barn quilt for her address marker. That qualifies it to be on the Side Trail, which is not officially on the Barn Quilt Trail Map, but is listed on our website. The barn quilt measures 20x14 inches and was painted & installed as a gift by Laurie Searle on October 1.

This barn quilt has been viewed on social media by 5,912 people with 453 engagements. The link to their story is at:

The Circle Star Barn Quilt features bold colors with a center orange dot surrounded by multi-colored star points. It was installed on the Party Barn at Judy Shaw's property at 8105 Piney Woods Church Rd on October 18. The barn quilt measures 4x4 feet (48x48 in) and was painted by Laurie Searle and installed by Sam Smith.

Of special note, this Party Barn is where the community met on June 19, 2007, to hear the results of the referendum that passed to form our City. This barn quilt has been viewed on social media by 4,938 people with 749 engagements. The link to their story is at:

The Flower Patch Barn Quilt features four flowers in bold colors. It was installed on Jack Peek's Workshop on Mary Ann Peek's property at 10701 Hutcheson Ferry Rd on October 18. The barn quilt measures 3x3 ft (36x36 in) and is hung "off-center" so it may more easily be seen from the road. It was painted by Laurie Searle and installed by Sam Smith.

This barn quilt has only been posted to Facebook for one hour and has already been viewed by 314 people with 50 engagements. The link to its story is:

Barn Quilts in Cue

1. **The City Hall** barn quilt is still being designed. I am in the process of collaborating with Serenbe quilter Janice Barton to create a custom design.

Off the List or On Hold – the following have considered barn quilts but have not yet followed-up.

1. **Mark Hennessy** has requested a barn quilt for two of his properties. Will place this on hold until I hear back from them.
2. **Susan Krause & Steve Jarvis** at 7777 Barns Road have submitted an application to create their own barn quilt for the trail. Will place this on hold until I hear back from them.
3. **StudioSwan** at 5401 Campbellton Redwine Rd (in the old Masonic Lodge.) They have submitted pattern called “Thistle Bloom” which I offered to paint. They want to paint their building first, so I’ll place this on hold until I hear back from them.
