Barn Quilts in Cue

1. **Sandra Hill** has requested a barn quilt for her mailbox at 7990 Campbellton Redwine Rd, since her barn cannot be seen from the road. This is eligible for our “side trail” which is posted to the Website but not the printed barn quilt trail map. She has requested a butterfly pattern, which is in progress now.
2. **Mary Ann Peek** has requested a barn quilt for her garage at 10701 Hutcheson Ferry Rd. She has selected a design and will be next in cue.
3. **Judy Crawford and her son Joel** have requested a barn quilt for their barn on 8105 Piney Woods Church Rd. They have selected a design and will be next in cue.
4. **The City Hall** barn quilt is still being designed. I am in the process of collaborating with Serenbe quilter Janice Barton to create a custom design.

Off the List or On Hold – the following have considered barn quilts but have not yet followed-up.

1. **Mark Hennesy** has requested a barn quilt for two of his properties. Will place this on hold until I hear back from them.
2. **Susan Krause & Steve Jarvis** at 7777 Barns Road have submitted an application to create their own barn quilt for the trail. Will place this on hold until I hear back from them.
3. **StudioSwan** at 5401 Campbellton Redwine Rd (in the old Masonic Lodge.) They have submitted pattern called “Thistle Bloom” which I offered to paint. They want to paint their building first, so I’ll place this on hold until I hear back from them.
